

*“Christ’s ministry, as recounted in the Gospels, and the values he promoted through his teachings are fundamental to the life of our school in fulfilling its purpose as a Catholic institution.” (Mission Statement)*

## E-Safety and Acceptable Use Policy

The staff at St. Aidan’s Catholic Primary School strongly believes in the educational value of electronic services and recognises their potential to support the curriculum. Every effort will be made to provide quality experiences to children and teachers using this information service, however, inappropriate and/or illegal interactions with any information service are strictly prohibited.

Listed below are the provisions of this agreement. If any student violates these provisions, access to the internet will be denied and the children will be subject to disciplinary action.

### 1. Internet Safety:

- The school will appoint an E-Safety Coordinator. This may be the Child Protection Liaison Officer as the roles overlap.
- All staff must read and sign the ‘Staff Code of Conduct’ before using any school ICT resources.
- The school will maintain a current record of all staff and pupils who are granted access to school ICT systems.
- Parents will be asked to sign and return a consent form.
- Any persons not directly employed by the school will be asked to sign an ‘acceptable use of school ICT resources’ before being allowed to access the internet from the school site.

- The school will take all reasonable precautions to prevent access to inappropriate material. However, due to the international scale and linked nature of internet content, it is not possible to guarantee that unsuitable material will never appear on a computer connected to the school network.
- The school will work with appropriate authorities to ensure systems to protect pupils are reviewed and improved.
- Personal data will be recorded, processed, transferred and made available according to the Data Protection Act 1998.

## 2. Teaching and Learning:

- The internet is an essential element in 21<sup>st</sup> century life for education, business and social interaction. The school has a duty to provide pupils with quality internet access as part of their learning experience.
- Internet use is part of the statutory curriculum and a necessary tool for staff and pupils.
- The school internet access will be designed expressly for pupil use and will include filtering appropriate to the age of pupils.
- Pupils will be taught what internet use is acceptable and what is not, and given clear objectives for internet use.
- Pupils will be educated in the effective use of the internet for research, including the skills of knowledge location, retrieval and evaluation.
- The school will ensure that the use of internet derived materials by staff and pupils complies with copyright law.

## 3. Managing Internet Access

- School ICT systems security will be reviewed regularly.
- Virus protection will be updated regularly.
- Security strategies will be discussed with the local authority.
- Pupils may only use approved e-mail accounts on the school system.
- Pupils must immediately tell a teacher if they receive offensive e-mail.
- In e-mail communication, pupils must not reveal their personal details, or those of others, or arrange to meet anyone without specific permission.

- Staff or pupil personal contact information will not be published. The contact details given online will be that of the school office.
- Photographs and videos that include pupils will be selected carefully so that individual pupils cannot be identified or their image misused.
- Pupils full names will not be used anywhere on a school website or other on-line space, particularly in association with photographs.
- Written permission from parents or carers will be obtained before photographs of pupils are published.
- Work can only be published with the permission of the pupil and parents/carers.
- Emerging technologies will be examined for educational benefit and a risk assessment will be carried out before use in school is allowed.
- The appropriate use of learning platforms will be discussed and training given as its use develops.
- School leadership should be aware that technologies with wireless internet access can bypass school filtering systems and present a new route to undesirable material and communications.

#### 4. E-Safety Communication and Complaints

- All staff will be given the school E-safety policy and its importance explained.
- E-safety rules will be posted in all rooms where computers are used, and discussed with pupils regularly.
- Staff and pupils will be informed that network and internet use will be monitored and appropriately followed up.
- A program of training in E-safety will be developed, based on material from CEOP.
- Parents' and carers' attention will be drawn to the school E-safety policy on the school web site.
- Complaints of internet misuse will be dealt with by a senior member of staff.
- Any complaint about staff misuse must be referred to the headteacher.
- Complaints of a child protection nature must be dealt with in accordance with school child protection procedures.
- Pupils and parents will be informed of consequences for pupils misusing the internet.
