

Every week brings a new achievement by so many of you, what new talents we will have in school when we return. So much good news to share - it is getting very difficult to get it all in one newsletter, we might have to start publishing a book! Very exciting photos this week for your dens. So many different ideas, we hope you enjoyed building them.

The Steedman family have had a go at raft building. Great idea.

Imogen has been on a hunt in the house and garden for 3D shapes. What a lot of shapes.

Harriet has made these impressive sea creatures. An octopus and a jelly fish. Well done.

This week's gospel

THE GOSPEL IN CHURCH Sunday 3rd May 2020

Jesus said, "I tell you most solemnly, anyone who does not enter the sheepfold through the gate, but gets in some other way is a thief and a brigand. The one who enters through the gate is the shepherd of the flock. When the shepherd has brought out his flock, he goes ahead of them, and the sheep follow because they know his voice. They never follow a stranger, but run away from him: they do not recognise the voice of strangers." The disciples failed to understand what Jesus meant. So Jesus spoke to them again: "I tell you most solemnly, I am the gate of the sheepfold. All others who have come are thieves and brigands; but the sheep took no notice of them. I am the gate. Anyone who enters through me will be safe: they will go freely in and out and be sure of finding pasture. The thief comes only to steal and kill and destroy. But I have come so that they may have life and have it to the full."

Adapted from John 10:1-10

The 4th Sunday of Easter, Year A

You are warmly invited to learn more about the Gospel through your local parish church.

Charlie has been making some very hungry caterpillars. They look fabulous, keep up the creativity.

Ryan has received some certificates and badges from Beavers for being part of their troop a year. Great achievement.

Vinnie and Lola have been enjoying some time in the garden.

Will is smelling some flowers he says the smell reminds him of honey. He has been drawing the inside of the nose and looked at why taste and smell are linked.

There has been a lot in the press about a new fundraising initiative called the 2.6 challenge, where individuals or groups collect money for charities by performing a fundraising activity (usually sporting related) that has a link to the number 2.6. Across this and next week we are aiming to collectively run 26 marathons for the Catholic Children's Society and The Rainbow Trust.

Please e-mail admin@st-aidans.crdoyon.sch.uk today and next Friday (8th May) with how far your child has run that week.

Please donate here uk.virginmoneygiving.com/StAidans2.6 #RunStAidansRun

Alex has been using all of this senses around the house and garden for his science work.

Luca has been using his work on 3D shapes to make and use a dice.

Max has earned his Beavers Personal and World Challenge certificates. Well done.

Year 4 have been having a go at writing their names in hieroglyphics. These are spectacular.

Will and Tom will be giving the neighbors of their road a chance to donate to the Rainbow Trust in return for their NHS Rainbow FIMO badges and Keyrings which they will leave out on display on the curbside during the Thursday night clap for the NHS. Fantastic work boys.

Fearne has really enjoyed her challenge of decorating a box for her favorite doll. This looks amazing.

William M and his family have been enjoying making some Lego creations. This is very impressive building! Who else is Lego building?

Emily has drawn some beautiful work for her Habitats project. Good job Emily.

Darcy, in Year 3, has really enjoyed using code through code.org. Well done Darcy.

Olivia has been learning all about 3D shapes and even made this rocket using them. Amazing.

Congratulations to Dylan on achieving a certificate for a completed Beaver challenge.

Weekly Challenge

Thank you NHS

*To all the people who help save lives
 Having to put themselves at risk
 Another self-less task performed
 Nothing compares to the work and the love you've shown
 Kindness shines through your hearts and faces despite the masks you have to wear
 You are fantastic in all that you do
 On Thursday evenings at 8 o'clock, we go outside to clap and cheer
 Unafraid this seems but you carry on and never stop
 Nationwide this virus spreads but hope is near that the end is in sight
 Heroes you have become in this invisible war
 So please do thank for keeping us safe*

By Heather Dring Year 6

Having seen other fairy gardens, Erin, Eoin and Áine were inspired and created their own with fairies, shells and stones collected in Ireland last summer.

Our new challenge will be out on Sunday. On Monday there will be some resources coming out about VE day which we celebrate on Friday 8th May. This is a bank holiday so the children will be pleased to know there will be no work sent out for Friday this week. If you would like anything included in the newsletter, please e-mail it in by Thursday 5pm. Stay safe, healthy and happy.
