

We are almost at the end of the year, and it's been a jam-packed week of activity and learning and fun. Reception and Year 6 have been busy beavering away at their assembly & production respectively and Year 3 delighted us with their Soundstart concert on Tuesday. See you all next week for one last hurrah before all of our children begin their well-deserved break.

### Reception class assembly

Reception class have prepared a beautiful virtual assembly, showcasing all the fun they've had and learning they've done during the year. We are really sorry that parents have not been able to come in and see the assembly in person but we are already looking forward to welcoming you in at the earliest possible opportunity next year. The assembly is now available to download via the link emailed this morning. A really big thank you to all of the reception staff team for preparing the children and to Mr Stanley for his I.T. support.

### Soundstart Concert

Our Yr3 children enjoyed performing their Soundstart concert on Tuesday afternoon, with Year 2 as their audience. They played 10 pieces that they had learned during the year under the guidance of the brilliant Mr Wheatley and Mrs Budgen. All current Year 2 children will be again taking part in the Soundstart project when they join Year 3 in September.

### Last day of term

Next Wednesday 21<sup>st</sup> July is the last day of term and children will finish early on that date. Year 6 will be the last class out on this occasion, so anyone who would like to wave them off, please remain well-spaced on the footpath outside the school to do so.

Finish times for all classes are as follows:

1.00pm – 1.10pm	Reception & Year 5
1.10pm – 1.20pm	Year 3 & Year 4
1.20pm – 1.30pm	Year 1 & Year 2
1.30pm – 1.40pm	Year 6

Children will have lunch at school before leaving. All children who usually have a school dinner can still have one next Wednesday, Siblings should be collected at the time of the oldest child attending, apart from siblings of Year 6 who should be collected in their own slot.

St Mary: Kollyn Donaldson-Stovell  
St. Francis: Esther-Maya Yusoof  
St. Joseph: Alex Hill  
St. Bernadette: Hannah Griffin  
St. Theresa: Abigail Ditchfield  
St Peter: Leon Kagoro  
St Paul: Lucia Dias

## Pupil of the Year

After agonizing over the almost impossible decision for many weeks, class teachers have selected a pupil of the year from each class. The reasons for their selection were varied and many but the common denominator was that they have all done themselves, their class, their family and their school proud throughout the year. A special mention to Tom Ransom in Year 2 who has been selected as the overall winner of the Harris plate, which is awarded each year to the overall school pupil of the year.

## Show Me the Honey

Today we had a very special visitor from the BBC, organised by Darcey-Mae (Y6). She showed us a PowerPoint about why she loves bee keeping. Darcey-Mae told us about a variety of fascinating facts all about the bee-keeping world. At the end of this amazing visit, one of the producers asked us if we wanted to see a sneak peek of the show, so he showed us a small snippet of the programme.

### DID YOU KNOW?

The queen bee in Darcey-Mae's hive has a blue dot so she is easier to find among all the other bees. The reason why this is, because the colour blue is the colour of 2020 and also because she was born in 2020.

## Year 6 Production

Usually at this time of year I remark that our school has turned into the Brit School, with performances taking place all around. This year has been no different despite all of the restrictions. Our Yr6 pupils and staff have been busy preparing their own take of the famous tale of 'Oliver'. The production will be shared with Year 6 parents early next week via Google Classroom.

## Book Sale

We were delighted to see how many children were eager to buy a new book a few weeks ago at our book fair. Due to your generosity we managed to sell over £1,000 worth of books, enabling us to spend £580 on new books for our class libraries. A big thank you to Mrs Montavez for being a fabulous librarian and to all the parents who purchased books. From your Year 6 bookworms: Emily, Natalie and Darcey-Mae (Yr 6).

## Achievement

In our bumper achievement assembly this afternoon we celebrated the following children for their wide variety of individual achievements: Sienna H (Reception), Owen D, Josiah, Bella, Harriet (Yr 1), Rosa, Dara, Louie, Delaneo, Imogen, Stanley (Yr 2), Alfie, Loneh, Ivy, Liam & Conor (Yr 3), Abigail (Yr 4) and Hayden, Abi & Erin D (Yr 6). These children were all clearly following this morning's gospel message about letting their light shine!
