Year 2 Trip

Year 2 had a busy day on Wednesday, exploring both old and new aeroplanes to support their learning in History. They discussed the change in materials used to build planes and flew paper gliders. The highlight was boarding the Concorde and observing the luxury of the Sheik of Oman's private jet.

Year 4 Class Assembly

Year 4 performed the first class assembly of the year this morning. It was lovely to see so many family members in attendance. The children showed off what they have been learning about this term, with some sketches about the Romans and some 'Toot' playing. They also shared the important message of 'Black History Month', celebrating the lives of prominent people of colour who have enriched our world. Year 4 reminded us that we still have work to do to ensure that all God's children are treated with the respect and love that they deserve. Well done Year 4, Mr Stanley and Mrs Andrews.

Football

Our football team played their first league game of the season against Chipstead Valley on Tuesday. They were up against it, as all of our Yr 6 were away at swimming. Nevertheless, they put in a great performance, leading 2-0 at half time, eventually succumbing to a 4-3 defeat. Callum and Jaxon got our goals, but there were great performances all over the pitch.

Yr Y Eucharistic Adoration

Year 4 carried on with their successful eucharistic adoration pilot programme this morning. As always, the class impressed us with their reflectiveness, reverence and devotion. Thanks to Galinda and Kirsten for leading the act of worship with the children.

Cost of living crisis

As we are all aware, lots of people are suffering financial hardship at the moment and may be struggling to feed and clothe their children and themselves. There are a number of routes available where families can receive support if they find themselves in financial difficulty. If you would like to discuss how the school and other agencies could support you in times of need, please get in touch with Mr Skehan in the strictest of confidence. Our community are all here to support each other through good times and bad.

Class Rep Meeting

Thank you to all the class reps who attended our meeting last Friday. Full feedback will be provided next week once the minutes have been agreed and published. Two items that we will be communicating on further next week are packed lunch and school uniforms. We will re-publish guidance on appropriate packed lunch contents and correct school uniform with next week's newsletter.

Achievement

Well done to Dara (Yr 5) for his Mathletics & rugby awards, Eoin & Joseph (Yr 3) for their rugby medals, Izzy (Yr 6) for her swimming certificate, Olivia (Yr 3) for her brownies award, Lucas (Yr 2) for his football MOTM, Esther-Maya (Yr 3) for her summer reading challenge medal, Callum (Yr 5) for his TREDs award in rugby and to Jacob & Joseph (Yr2) for Mathletics.

Year 1 Mathletes

What amazing Mathletics independent learning from so many of our Yr 1 pupils. Keep up the good work!
