

The children were very respectful during our 1-minute silence today as a mark of respect on Remembrance Day. "They shall grow not old, as we that are left grow old: Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning, We will remember them."

Year 6 WW2 assembly

Year 6 reminded us today of the importance of why we have a remembrance day and teaching us all what life was like in WW2 during their class assembly. We were treated to acting, singing, dancing and wonderful costumes and they were true professionals when faced with some technical issues they carried on regardless. Well done all and thank you to Mrs Luke and Mrs Day for putting together such a production.

Palace for Life Diversity workshop
