**Friday 31<sup>st</sup> March 2023**

No rest this week still as busy as ever! We would like to take this opportunity wish you all a very happy Easter and we hope you get a good rest ready for the summer term. Just a reminder, school starts back on Monday 17<sup>th</sup> April.

### **SASA Easter egg hunt**

The children all went on an Easter hunt this morning and were rewarded at the end with an Easter egg. Many thanks to the SASA for organising, giving up their time to run it and for paying for the eggs.

### **TFL**

On Thursday, Year 6 had a visit from a member of the Transport for London team who talked to them about the importance of being safe on public transport which is especially important for Year 6 as they begin to prepare for their journeys to secondary school.

### **Parking**

Sadly, we have had a few complaints recently regarding parking near our school. We are aware that not all of this is parents from our school and we are working with Smitham to try to resolve the issues.

Please be reminded that parking so close to the end of roads makes it very unsafe for pedestrians to cross safely and for other drivers to see round corners.

Please help us to keep our children safe.

### **Pop lacrosse**

Our pop lacrosse team went to Oasis on Tuesday, to compete in a festival. They showed determination, teamwork and lots of energy with the running they did. They won all their games and even beat the young leaders from Year 11!

### Passion Service

Many thanks to all the parents who were able to join us for the Passion service on Wednesday. The Year 5 did a wonderful job of retelling such an important event in the Christian calendar and helped to remind us of the sacrifice which was made for us.

### Football cup final

The football team went to Greenvale on Monday to play in the small schools football final against Oakwood. It started very tight with a goal just before the half time to give us the lead 2-1. After a motivational speech from Coach T the boys went into action and won 5-1. Champions!

### Achievement

Well done to everyone who celebrated individual achievements in assembly this week. Too many to name sadly, we wouldn't have space, but so much to be proud of.

### Football league next stage

After winning the local league, the football team played St Joseph's in the next round. It was a physical game with both teams having opportunities. They scored on a fast break and we just couldn't get a goal to equalise meaning we lost 1-0. A massive team effort, well done all.

### SEN drop in clinic

On Thursday 27th April, Mrs Wright (Special Educational Needs Co-ordinator) will be running a drop-in advice clinic, for any parents who have educational concerns, regarding their child. Appointments will be available to sign up for in the office from Monday 17th April. This is an opportunity for parents to discuss any specific educational or emotional concerns they may have related to their child. These appointments are in addition to, not replacing, making an appointment with the class teacher.
