

Reception Home Learning Day 1

Literacy

Last week we visited the beach and today we are going to continue our holiday theme at the seaside

.

Today we are going scuba diving

Go to <https://safeYouTube.net/w/NrVL>

Following this watch the clip of Under the Sea from Disney's Little Mermaid film .

Go to <https://safeYouTube.net/w/fsVL>

On the sheet attached please write a list of things you might see when you go scuba diving.

Please start your writing copying the sentence below then write a list of 5 things you would see.

Remember to list your ideas one underneath the other.

Example

If I went scuba diving I would see

Fish

Sea horses

Phonics

Today we are looking at the sound **ou/ow**

These are again two letters that make one sound.

Go to <https://safeYouTube.net/w/qtVL>

Read a book of your choice 10-15 minutes

Numeracy

Today we are going to be looking at **Capacity** and focus on the vocabulary

Full,empty,fill pour,how many cupfuls ,spoonfuls etc

Number warm up Counting in 2's

Go to <https://safeYouTube.net/w/xuVL>

Activity

To find which holds more

Fill a bucket or washing up bowl with water. The children will use this water to fill varying sized containers.

Then take 2 different sized kitchen jugs or if you don't have jugs any other containers plus a small cup.

Scooping water from the washing up bowl using the small cup, count the number of cupfuls of water that fill each jug

In your blue home book draw the jugs and write how many cupfuls of water filled each one.

Please make sure the jugs are different enough in size to allow the children to get a different result when filling each one.

Art/Craft

Make a scuba diver's mask

You will need

If you do not have a paper plate you can use card

Cut out the centre of the plate.

Draw and cut out a snorkel shape

Draw and cut out your own goggles.
