**Literacy /Topic – European Country**

Yesterday you started looking at Europe. Today for your work I would like you to research a country in Europe. However, as well as looking at the country as a whole, (population, where in Europe, weather, language, money for example) I want you to look at famous Landmarks. This research will help you with tasks later in the week. The more interesting facts you find out about both your country and the landmarks it has, the easier you will find it

However: please do NOT research any UK country – we’ve studied these countries, and I would like you to look further afield.

A landmark is an important building, place or sculpture. I have included some possible starting places:

France – Eiffel Tower; Arc Du Triumph; Louvre Gallery

Italy – Colosseum; Sistine Chapel; Leaning Tower of Pisa

Greece – Acropolis; Parthenon

Russia – St Basil's Cathedral – Russia is an interesting country because it is in both Europe and what other **continent?**

Spain - Mosque-Cathedral of Cordoba

Germany – Brandenburg Gate

These are just starting places – I would definitely welcome any other countries and landmarks. Remember to use 'facts for kids' if you are using the internet

### **Online Safety Task**

I have attached another online safety task

### **Handwriting/Spelling**

Please use your handwriting books to write out two lines of the spellings you were set on Friday. You will be tested on Friday

1. I'll
2. you'll
3. we'll
4. he'll
5. she'll
6. they'll
7. it's
8. wouldn't
9. couldn't
10. shouldn't

Remember your letters should be joined up. Also remember which letters are ascending, descending or just sat between the lines.

(If you don't have your handwriting book, please complete on lined paper)

You could also look at Literacy Planet for games involving your spellings

**Best wishes,**

Mr Stanley
